·	the purpose of the project in the space listed below. Include all additional puilding(s) and property.	

The City of Havana has adopted the 2020 Edition of the International Code Council, as well as the NEC 2011 Edition (National Electric Codes) and current Illinois Plumbing Code. All newly erected structures and those structures being renovated will adhere to the International Codes and City ordinances and the NFPA Life Safety 101. Failure to do so will result in fines and the revocation of this permit.
